FINANCIAL APPENDICES

(Memo for NSC, July 1, 1959; Record of Planning Board Meeting, June 2, 1960, item 4)

Noted by DD/I

20 July 60

a. Noted the following points with respect to the preparation of Financial Appendices:

- (1) The general rule of the President's directive of July 1, 1959 (subject to the two specific exceptions relating to policies with no cost implications and special, sensitive papers) is that every policy statement will include a Financial Appendix.
- (2) In the case of certain policy statements which the Planning Board is updating pursuant to NSC Action No. 2215, it may be unnecessary to prepare a revised Financial Appendix. In such cases the burden of proof will be upon the State or Defense Planning Board member.
- (3) No Planning Board member has any proposal for changes in the July 1, 1959 Financial Appendix directive at this time.
- (4) It is understood that if at any subsequent date a Planning Board member has concrete proposals for changes, the Planning Board will entertain such proposals and, if deemed desirable, appoint a Subcommittee to draft proposed amendments to the Financial Appendix directive.

FINANCIAL APPENDICES (Continued)

- b. Also noted the statement of the Treasury member as to the necessity of adhering to the time schedule for Part B of the Financial Appendix so that the Planning Board may have the cost implications of future policies available for consideration while it is working on the policy draft.
